

Microcotta: Request for Quote

Please fill out this form and send it via e-mail directly to the manufacturer

info@freedomcement.com

with a copy to **ken.follett.pcls@gmail.com** (solely to facilitate communications of this form)

Freedom Cement, LLC
24 East Brookfield Road
North Brookfield, MA 01535

866-254-7277

It is the responsibility of those requesting a quote to provide a take-off of quantity of number of units required, to include counts of different shapes, colors or textures. Responses, if all information is provided and the project is not too complicated, take one to two weeks to process.

If you have questions on follow-up, then please contact Freedom Cement directly.

Microcotta: Request for Quote

Note the Following:

- If you have questions on follow-up, then please contact Freedom Cement directly.
- Your request will be entered in a queue based on first-in, first-out.
- Freedom Cement does not provide anchors, or engineering for anchors. If you need a referral to a structural engineer familiar with Microcotta then let us know.
- All pieces of existing units to be used for color or mold matching are to be delivered by the customer to Freedom Cement's shop at no cost to Freedom Cement.
- Site visits if required by Freedom Cement for purpose of providing a quote will be charged for at time and travel expense. Please discuss this directly with Freedom Cement.
- ConSpec Associates is not the manufacturer and is not responsible for fulfilment of your information request.
